TIA WELLNESS RESORT RE-OPENS AFTER REFURBISHMENT

WITH NEW WELLNESS INCLUSIVE CONCEPT

[March 2021- Da Nang] - TIA WELLNESS RESORT opens its doors to welcome guests on March 19, 2021 after completion of the full rebranding and refurbishment.

TIA Wellness Resort is the new evolution of Asia's award-winning Fusion Maia Da Nang, combining an innovative spa with Wellness and Retreat Inclusive stays. Guests enjoy customised programs in an idyllic setting, providing the ultimate sanctuary for self-discovery.

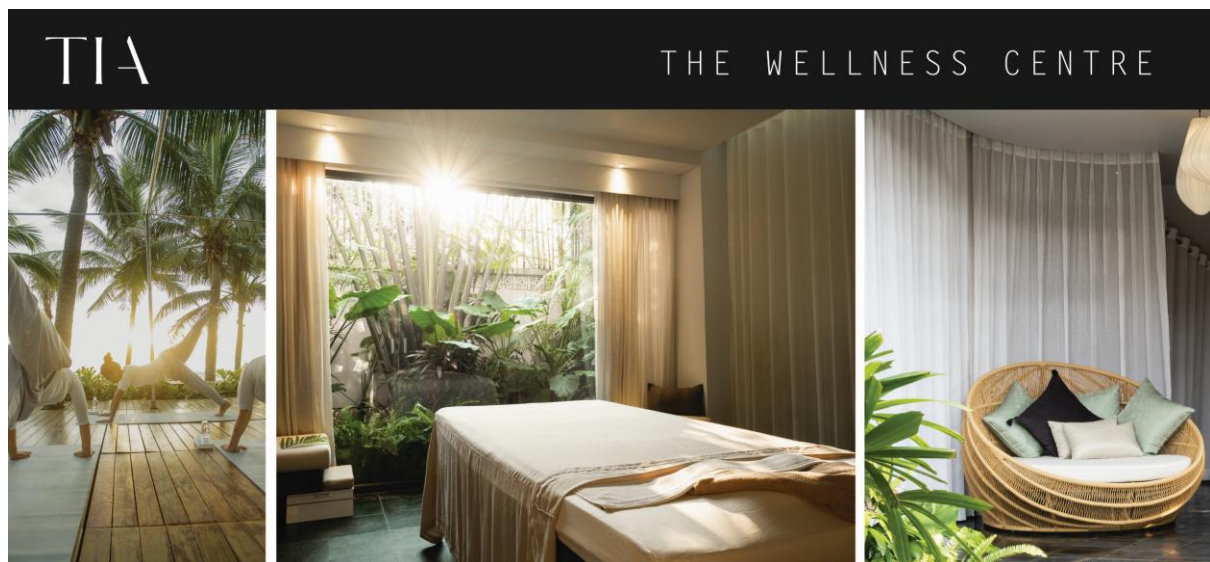

"Although you will continue to recognize our heartfelt hospitality ethos, and inclusive spa treatments, we have elevated the experience to provide our guests with greater wellness value during their stay with us," says General Manager Ramon Imper, who continues to lead the new brand.

“As part of the resort’s new concept, the wellness centre now boasts additional custom-designed signatures treatments, a creative workshop series and breathwork master classes, all thoughtfully designed to help guests achieve their creative potential, which is particularly relevant during this post-Covid period of personal transformation” says Aaran Solh, Wellness Innovation Director at Luminary Wellness Management, the third party operator supporting the rebrand and management.

We are excited to welcome your guest reservations and enquiries.
