

PLANT-BASED MEAL PLAN

Welcome to your retreat and the mindful, plant-based meal plan included with your stay.

BREAKFAST LIKE A KING, LUNCH LIKE A PRINCE, DINNER LIKE A PAUPER

This thoughtfully designed meal plan begins with a nourishing breakfast to fuel your day and boost metabolism. Guests can enjoy a wide variety of options from our plant-based buffet or order à la carte. Lunch features a satisfying 3-course menu, while dinner is a light 2-course meal - the gentlest of the day - supporting easy digestion and restful sleep.

WHY PLANT-BASED?

Our meals are rich in essential nutrients - vitamins, minerals, healthy fats, fiber and plant-based protein. Each dish highlights vibrant vegetables and fruits, with legumes, nuts and seeds as wholesome protein and fat sources. Dinners are intentionally light and easy to digest and may include fruit, which can help satisfy hunger and support balanced blood sugar levels through its natural fiber.

Each day's meals are carefully crafted to meet the nutritional needs of a moderately active lifestyle. If you're engaging in more intense physical activity during your stay, let us know - we're happy to adjust portion sizes to ensure you get the protein and calories your body needs.

This plant-based plan also gives your body a welcome break from processed fats and animal products. If you're considering continuing a plant-based diet after your retreat, we recommend consulting a physician or nutritionist, as individual needs vary based on age, activity level and health conditions.

BREAKFAST GUIDELINES

Help yourself to our breakfast buffet or order à la carte from our restaurants or in-room service.

If you feel hungry between meals, be sure to stay hydrated. You're also welcome to enjoy snacks like nuts, seeds, or a refreshing coconut, rich in electrolytes.
