SIGNATURE
BATH RITUALS

A close-up, high-angle shot of a spa bath. The water is dark and still, reflecting the ambient light. Numerous white and light pink flower petals and green leaves are scattered across the surface. The bath's edge is a dark, polished material, possibly stone or metal, with a thin channel containing small white pebbles. Two lit candles in gold-colored holders are visible: one in the top left corner and another on the right edge. The overall mood is serene and relaxing.
